Subject: [Notice from MOM]: Please remind your Employment Pass (EP) and S Passholders to update their residential addresses and contact details

Dear Sir / Madam,

The Ministry of Manpower (MOM) has recently come across cases in which EP and S Pass holders changed their residential addresses, without informing MOM. As a result, some of them were found to be residing in overcrowded residential premises.

Some of them have also declared that they are residing in commercial buildings/ offices, which are not meant for residential purposes.

Please remind your EP and S Pass holders to update yourselves and MOM, of any changes in their residential addresses within 14 days. Otherwise, they may be penalised; repeat offenders may not be allowed to work in Singapore. Please also remind them to comply with the subletting requirements under the Housing & Development Board (HDB) and Urban Redevelopment Authority (URA).

The mobile numbers and email addresses of EP and S Pass holders, should also be updated. This is to ensure that MOM is able to contact them quickly, during emergencies.

To update these details, please log on to EP Online (www.mom.gov.sg/eponline).

Yours Sincerely,

Foreign Manpower Management Division
