### Principal's Message

It has been wisely said that to find time to do what you should be doing in order to get where you are going, you must have the leadership discipline to focus on worthy.

I was pleased to hear from the school appointments that they wanted to begin publishing a newsletter of the school periodically. My only scepticism has been that this wonderful idea should not fade away for any reason whatsoever. As I see the enthusiasm and promise in their eyes, I have every reason to shed my views on continuity of this novel idea.

Thank you for lending me little space in this periodical. I have no doubt all students of the school will long to see it published regularly.

Allow me to reiterate that what makes greatness is beginning something that does not end with you!

Best wishes,  
**Col (Retd) Charanjit Gill**

FUN FRIDAY! - INTER-HOUSE MIXED RELAY RACE!

Spring house: Joint winners with Lake house!

Rohit brought Lake back into contention!

Anxious Captain!

On Friday, July 20<sup>th</sup>, the first 'Fun Friday' was held at Charlton Park. A mixed relay race between 10 racers representing the four houses of our school took place, and what ensued was a hotly contested quest for the maximum 100 points. So which house took home the century of points? Read on to find out!

The race began at 2:30 p.m. The first runners were Shivam from Glacier, Rajdeep from Lake, Karan from Oasis and Kanhaiya from Spring.

According to the rules of the race, the first four representatives of each house were to run an extra 50m, with their path obstructed by hurdles. After a tough, challenging first round, the baton was passed to four girls from each house. Glacier took the lead early with Shivam passing the baton the earliest. Oasis passed the baton second and Spring, third. A few rounds later, Glacier slumped into third position, with Oasis and Spring taking advantage and moving into first and second respectively.

As the race neared its completion, Lake were in danger of finishing last. Spring overtook Oasis in the run for first spot after Reashika outran her competitors.

The race turned on its head when the baton was passed to Rohit. Arguably, the quickest among the students, Rohit bolted past his contenders to lead Lake into first spot winners with an initial 100 points! Spring finished second, Oasis third and Glacier, fourth.

An unpredictable outcome in which Glacier took the early lead, Spring took advantage of a little slump, and Lake took the maximum points after a late, late dash!

However, after disciplinary point deductions and fair play rewards, the spoils were shared by Spring and Lake as both collected an equal 90 points! Oasis ended with 55, in third place, while Glacier ended fourth with 20 points.
